Escape funky island walkthrough level 5

Level 5 map piece November 30, 2019 I paid for extended levels but I can't play the last one because your update changes map part access without briefcase. Can someone help me? I enjoyed playing but a little less disappointed with Tough on December 22, 2020 ... Lol... GreatChallenging Game!!! He's coming back for more! Omg!!! WHAT TOCAMA !!! There's more!!! This game is very common sense!!! Makes me Lol ... Thanks. all we had to hide a button when I had so much fun for a while ... or playing TiddlyWinks and Jacks! ... Then it was Pick Up Sticks!!! Tried to charge one day to buy each game ... and we got button n lostvit!! It was hard to sit around for a while! less Love SOME Snapbreak games ... April 9, 2020 ... Except for the Faraway series. I tried them all and resigned... WAY is very difficult ... Even paying for clues didn't help. (In addition to tips, you must have the option to resolve them automatically before you can continue). So, I said Machine City and Machine City were airesore ... Fun puzzles without wracking your brain and getting angry. (Life is frustrating enough ☹️ these days) I hope the developers will come to this more. Less Level 5 Map Track December 19, 2019 Fun game, worth a look. My level 5 map piece is also missing. I wouldn't be buying extra levels if there was a known problem. Click on a surprisingly simple but fun point and adventure game on September 1, 2019. If you are new to the genre, this is a good starting point, but more experienced players will be underwhelmed. If you really like it, you can get the remaining levels in the game and the paid version with no ads. With that in mind, there is an ad that can be skip after each level, so this type of tradeoff. Less October 27, 2020 I got full give, very short to my taste. But it's a very enjoyable adventure game! Less missing a map piece January 16, 2020 I am also missing level 5 pieces. I can continue commenting like others so update like the game so you paid for the full game. A less enjoyable game AMA November 29, 2019 I like this company's games and usually pass all boards with no problems unfortunately I can't find any less than 22 September 2019 map piece my experience this game is good but there is a problem with the situation in the clinic I looked at on the internet there should be 3 options to control the machine but only option in my game 2 other rows I game less fun interesting game 8 February 2020 level 5 fixed Why this uncontrollable game is worth less money than if you liked the game a lot, but you may not seem to be appearing to find the map part in the new version of level 5. I'm missing it somehow? less Tough ... Lol... GreatChallenging Game!!! He's coming back for more! Omg!!! WHAT TOCAMA !!! There's more!!! This game is very common sense!!! Makes me Lol ... Thanks... it was his time I had so much fun just had to hide a button ... or playing TiddlyWinks and Jacks! ... Then it was Pick Up Sticks!!! Tried to charge one day to buy each game ... and we got button n lostvit!! It was hard to sit around for a while! Less. Except for the Faraway series. I tried them all and resigned... So, I said Machine City and Machine City were airesore ... Fun puzzles without wracking your brain and getting angry. (Life is frustrating enough ☹️ these days) I hope the developers will come to this more. Now level 5 this game has also fixed the value of the top 8 levels much loved by less money. Then I found out why you should pay for the rest. It wasn't pretty. He made me one stop at the game. But if you are willing to buy the rest of the levels, then you definitely need to play this game. less now I'm not a Snap break fan. I'm probably going to be a good addict to your games. I got three and did just every third level as I uploaded a new game after each rating. I'm going to the Arctic Adventure now. Less thanks for the game. Very good graphics were simple but fun puzzles. I heard a less big light and fun escape game. The price to unlock the whole game is reasonable. The graphics are colorful and capricious. A good game for kids who enjoy the escape game format but are not ready for more complex games. for less than 5* fun elements. Absolutely minimal puzzles per level and ridiculously easy aimed at a young audience. Full screen video ads bought the game as really bleak. less so I really enjoyed very free levels, although each of them was an advertisement after. But somehow they have to make money, don't they? less more than just beautiful cartoon graphics and animations, interesting games and puzzles. I was really caught and surprised at how smoothly the game works and is played. less than I paid for extended levels but can't play one last one because the update has changed access to the map piece with no briefcase. Can someone help me? I enjoyed playing but was a little less disappointed with the fun game, a look value. My level 5 map piece is also missing. I wouldn't be buying extra levels if there was a known problem. Click on a surprisingly simple but fun point and adventure game less. If you are new to the genre, this is a good starting point, but more experienced players will be underwhelmed. If you really like it, you can get the remaining levels in the game and the paid version with no ads. With that in mind, there is an ad that can be skip after each level, so this type of tradeoff. Give me less full. I got it too short for my taste. But it's a very enjoyable adventure game! Less me, level 5 pieces missing. I paid for the full game so I update it like the game so there are comments like others. less like this company's games and often pass all boards with no problems unfortunately I can't find the map piece I liked much less than level 4, but I may not seem to be looking to find map part in the new version of level 5. I'm missing it somehow? there is a fewer Level 5 error. I don't have a bag in my bag. That's why I couldn't finish the game. escape puzzle is less nice and cute series, with a cartoonized style, but the way is very easy ... I think it's for the kids first. The levels are very short. I did but continue after level 8 (you have to pay to continue). Less in my experience this game is good but I looked at the internet there should be 3 options to check the machine there is a problem with the situation in the clinic but only 2 options in my game is less like the last review as the last review caused the other line to be checked so no map piece. there are no fewer level 5 map pieces. I looked at walkthroughs and started with a 3 digit code that appears in my game boat, but I have a bag off the boat with a map piece inside the walkthroughs. less than I would have scored 5 stars ... but after a few lvs you have to pay to get the next ... I wouldn't bother installing this game... only gives about 20 minutes ... I finished this game on my break in 20 minutes! Rip it off! Less Escape Funky Island Solutions Level 5 and Tips are available on a single page. If you want some answers, scroll down to the page. Escape Funky Island Game Playstore link: About Escape Funky Island <https://play.google.com/store/apps/details?id=com.snapbreak.escapefunkyisland>: It's easy to work as a detective! I'm riding a submarine on my way to Funky Island. Mysterious Juliet hired me to find pieces of a map. What could go wrong with a case as simple as that? No, seriously, I have a strange feeling about it ...
